RETURNING GUESTS

ON WELLFLEET HARBOR ~ CAPE COD

Sandpiper Hill Cottage

Many Thanks!

Thank you for selecting Sandpiper Hill Cottage for your vacation! If the guest surveys are any indication, you had a great time and so did the other families that stayed at Sandpiper Hill Cottage this summer. Each year, we make improvements at the Cottage to keep it “fresh” and to encourage your return visit. In 2007, we expanded the front deck, created a harbor viewing area in front of the Cottage, relocated and redecorated the master bedroom, added a master bedroom television and we completed many preventative maintenance projects. Many of these improvements, including those planned for 2008, were suggestions from our guests.

This must be the reason our guests feel like they are coming home when they return to Sandpiper Hill Cottage. We hope you will come “home” in 2008!
